RE: Contracted Urgent Care Facilities with COVID-19 Testing

Santé Community Physicians would like to notify our providers that we now have contracted urgent care facilities that offer COVID-19 testing. We are aware that there are other facilities that offer the same services; however, we would like to reiterate to please refer your members to Santé contracted providers to avoid possible delay or denial of payments.

Please let your members know that they will need to call in advance to assure the availability of testing supplies.

Attached you will find a list of contracted urgent care facilities who offer COVID-19 testing.

For questions or concerns, please call Santé Customer Service at (559) 228-5410.
