

Privacy Policy

Introduction

Santé Health System values its visitors' privacy. This privacy policy is effective October 1, 2020, as updated by the January 2020 California Consumer Privacy Act, and summarizes what information we might collect from a registered user or other visitor ("you"), and what we will and will not do with it. Please note that this privacy policy does not govern the collection and use of information by companies that Santé Health System does not control, nor by individuals not employed or managed by Santé Health System. If you visit a website that we mention or link to, be sure to review its privacy policy before providing the site with information.

What we do with your personally identifiable information

Santé Health System values its visitors' privacy. This privacy policy is effective October 1, 2020, as updated by the January 2020 California Consumer Privacy Act, and summarizes what information we might collect from a registered user or other visitor ("you"), and what we will and will not do with it. It is always up to you whether to disclose personally identifiable information to us, although if you elect not to do so, we reserve the right not to register you as a user or provide you with any products or services. "Personally identifiable information" means information that can be used to identify you as an individual, such as, for example:

- your name, email address, phone number, billing address, and shipping address
- your user ID and password
- any account-preference information you provide us
- your computer's domain name and IP address, indicating where your computer is located on the Internet
- session data for your login session, so that our computer can 'talk' to yours while you are logged in

If you do provide personally identifiable information to us, either directly or through a reseller or other business partner, we will:

- not sell or rent it to a third party without your permission. We may use your contact information to provide you with information we believe you need to know or may find useful, such as (for example) news about our services and products and modifications to the Terms of Service;
- take commercially reasonable precautions to protect the information from loss, misuse and unauthorized access, disclosure, alteration and destruction;
- not use or disclose the information except:
 - as necessary to provide services or products you have ordered, such as (for example) by providing it to a carrier to deliver products you have ordered;
 - in other ways described in this privacy policy or to which you have otherwise consented;

- in the aggregate with other information in such a way so that your identity cannot reasonably be determined (for example, statistical compilations);
- as required by law, for example, in response to a subpoena or search warrant;
- to outside auditors who have agreed to keep the information confidential;
- as necessary to enforce the Terms of Service;
- as necessary to protect the rights, safety, or property of Santé Health System, its users, or others; this may include (for example) exchanging information with other organizations for fraud protection and/or risk reduction.

Other information we collect

We may collect other information that cannot be readily used to identify you, such as (for example) the domain name and IP address of your computer. We may use this information, individually or in the aggregate, for technical administration of our website(s); research and development; customer-and account administration; and to help us focus our marketing efforts more precisely. We may also use cookies to collect information user activity on our website, to help us understand website traffic and website usage.

Your privacy responsibilities

To help protect your privacy, be sure:

- to take customary precautions to guard against “malware” (viruses, Trojan horses, bots, etc.), for example by installing and updating suitable anti-virus software.

Your privacy rights

Each California resident has the right to ask Santé Health System to disclose what personal information our company has about you, and what we do with that information, to delete your personal information, and not to sell your personal information. You may request Santé to delete personal information that we collected from you, and to tell our service providers to do the same, unless a valid exception applies. Santé Health System does not discriminate against any individual who exercises their privacy rights.

Information collected from children

You must be at least 13 years old to use Santé Health System Website and services. Santé Health System does not knowingly collect information from children under 13. (See the U.S. Children’s Online Privacy Protection Act.)

Changes to this privacy policy

We reserve the right to change this privacy policy as we deem necessary or appropriate because of legal compliance requirements or changes in our business practices. If you have provided us with an email address, we will endeavor to notify you, by email to that address, of any material change to how we will use personally identifiable information.
